DESTINATION HIGHLIGHTS

COLOMBO, SRI LANKA

The bustling city of Colombo has a boasting population of almost 9 million people from diverse races, religions and cultures. Be introduced to the city with a tuk tuk ride through the streets to be immersed by the eclectic lights, sounds and aroma of spices, then pick up some authentic street food and take a stroll through the market stalls. Colombo will not bore as you will always find a new venture to add to your bucket list in this exotic and vibrant city, whether it be a visit to a mosque, temple, museum, casino, luxury hotel or shopping.

DUBAI, UNITED ARAB EMIRATES

Dubai is a city and emirate in the United Arab Emirates that screams out glitz and glam and calls to those who crave the finer things in life. The futuristic city resides the world's tallest building – the Burj Khalifa, as well as a man-made marina, several man-made lakes and is adorned with ultra-modern skyscrapers. Nonetheless, beyond this façade, you can find the history of desert's Bedouin past, before it boomed from economic development, in hotspots such as Heritage Village which contain preserved buildings around the creek.

DARWIN, AUSTRALIA

The capital city of Northern Territory is renowned for their wildlife and national parks. Visiting at least one of the two main national parks of Darwin is a must – They are: Kakadu and Litchfield National Park. Both parks are pleasing to the mind and soul with flowing waterfalls, Aboriginal artwork and swimming opportunities. At Adelaide River witness the natural jumping behaviour of the Australian saltwater crocodiles. Darwin is filled with delicious Australian delights from mud crabs, barramundi, Kakadu plum, lemon myrtle and even green ants.

HO CHI MINH (PHU MY), VIETNAM

Ho Chi Minh City (often called Saigon by many locals) is Vietnam at its most dazzling: a high-octane city of commerce and culture that has driven the country forward with its pulsating energy. The madness of the city's motorcycle traffic is countered by tranquil pagodas, numerous museums, peaceful parks and whole neighbourhoods hidden down tiny alleyways. It is also a thriving centre for affordable shopping, delicious local cuisine and entertainment, where around every corner is a new opportunity to explore.
