TROMSØ - TROMSØ  
13 DAYS | 1 COUNTRY

Sail from Tromsø to the western coast of Svalbard and experience the stark beauty of the Arctic, where polar bears reign and blue ice floats serenely on the horizon. Here it is silent and still one moment, a cacophony of migrating birds, barking seals and calving glaciers the next. From this northern archipelago of frozen tundra, dramatic fjords and remote human settlements, you will witness this world awakening from winter slumber to a land of midnight sun.

As you explore the rest of the archipelago, look out for arctic foxes, seals and whales, or simply enjoy the sounds of nature and views of the surrounding unspoiled wilderness. You may explore a shoreline rich with the varied flowers of the tundra or hike a glacial moraine for sweeping views of a fjord. Watch for polar bears as you cruise, passing ice where you might spot the bearded and ringed seals upon which they prey.

DAY 8-11	<b>EXPLORE SVALBARD, NORWAY</b> Return to Svalbard to continue your exploration. DAY 12	<b>BARENTS SEA</b> Attend lectures on this region's fascinating past and present, or relax in The Nordic Spa.
